Assurance aux parents

Parent assurance

FRANCAIS

Ce programme n'est pas une étude personnelle avec uniquement des vidéos enregistrées. Les apprenants ICC Online / Hybrid sont des élèves ICC à part entière: ils assistent aux cours en direct, posent des questions, rendent des exercices et reçoivent des commentaires.

ENGLISH

This programme is not recorded-video-only self study. ICC Online / Hybrid learners are full ICC students: they join live classes, ask questions, complete exercises and receive teacher feedback.

Une vraie classe

- Les élèves sont affectés à une classe et suivent un emploi du temps.
- Ils participent aux discussions, exercices et présentations.

Statut ICC complet

- Les parents reçoivent communication, bulletins et dossiers scolaires.
- Les apprenants restent visibles dans le système académique ICC.

Real classroom membership

- Students are assigned to a class and follow a timetable.
- They participate through discussions, exercises and presentations.

Full ICC status

- Parents receive communication, report cards and school records.
- Learners remain visible inside the ICC academic system.

Un enfant hors du Ghana peut rester connecté aux enseignants, ressources et standards ICC.

A child outside Ghana can remain connected to ICC teachers, resources and standards.

La journée scolaire en ligne

How the online school day works

FRANCAIS

Les cours en ligne / hybrides sont organisés autour de routines claires: présence, participation, travail guidé et devoirs. L'élève doit être prêt, ponctuel et engagé.

ENGLISH

Online / Hybrid learning is built around clear routines: attendance, participation, guided classwork and assignments. The learner must be ready, punctual and engaged.

Routine de classe

- Entrer dans le cours BBB via ICC LMS.
- Suivre la leçon avec audio, vidéo, tableau et exemples.
- Répondre aux questions et faire les exercices.

Class routine

- Enter the BBB lesson from ICC LMS.
- Follow the lesson with audio, video, board and examples.
- Answer questions and complete exercises.

Attentes de l'élève

- Assister à l'heure.
- Utiliser les livres et appareils avec discipline.
- Respecter les règles de la classe en ligne.

Student expectations

- Attend on time.
- Use books and devices responsibly.
- Respect online classroom rules.

Les devoirs et commentaires alimentent la communication parentale.

Assignments and feedback support parent communication.

ICC LMS et BigBlueButton

ICC LMS and BigBlueButton

FRANCAIS

ICC utilise LMS et BigBlueButton pour garder l'élève visible, suivi et engagé. L'apprenant n'est pas en dehors de l'école: il est dans le système ICC.

ENGLISH

ICC uses LMS and BigBlueButton to keep the learner visible, tracked and engaged. The learner is not outside the school: the learner is inside the ICC system.

ICC LMS

- Tableau de bord personnel.
- Emploi du temps en ligne.
- Devoirs, ressources, commentaires et notes.

ICC LMS

- Personal student dashboard.
- Online lesson timetable.
- Assignments, resources, comments and grades.

Classe en direct BBB

- Audio et vidéo de l'enseignant.
- Tableau numérique, partage d'écran et chat.
- Questions, démonstrations et participation.

BBB live classroom

- Teacher audio and video.
- Digital whiteboard, screen sharing and chat.
- Questions, demonstrations and participation.

Le LMS crée une trace scolaire claire pour l'élève et les parents.

The LMS creates a clear academic trail for the learner and parents.

Manuels et kits d'apprentissage

Textbooks and learning kits

FRANCAIS

Les apprenants utilisent les manuels et ressources approuvées pour leur niveau. Les livres, cahiers d'exercices et preuves écrites restent importants, même en ligne.

Manuels approuvés

- Primary et Lower Secondary utilisent des livres adaptés au niveau.
- IGCSE et AS/A Level suivent les ressources des matières approuvées.

Support aux familles

- ICC peut conseiller sur commandes, livraison et alternatives numériques.
- Pour les sciences, des démonstrations ou kits simples peuvent être organisés.

ENGLISH

Learners use approved textbooks and resources for their level. Books, workbooks and written evidence remain important, even online.

Approved textbooks

- Primary and Lower Secondary use stage-matched books.
- IGCSE and AS/A Level follow approved subject resources.

Family support

- ICC may guide families on orders, delivery and digital alternatives.
- For science, demonstrations or simple kits may be organised.

L'apprentissage en ligne produit toujours des travaux écrits et des preuves scolaires.

Online learning still produces written work and academic evidence.

Evaluations et dossiers scolaires

Assessment and academic records

FRANCAIS

Le programme est géré comme une vraie école avec travail continu, participation, tests, projets et examens. Les dossiers soutiennent les transferts et projets universitaires.

ENGLISH

The programme is managed as a real school with continuous work, participation, tests, projects and examinations. Records support transfers and university planning.

Evaluation continue

- Travail de classe, devoirs, corrections et quiz.
- Projets STEAM, recherches, présentations et portfolios.

Continuous assessment

- Classwork, assignments, corrections and quizzes.
- STEAM projects, research, presentations and portfolios.

Dossiers officiels

- Bulletins, dossiers de progrès et relevés selon les procédures ICC.
- Communication parentale sur les progrès et prochaines étapes.

Official records

- Report cards, progress records and transcripts under ICC procedures.
- Parent communication on progress and next steps.

Les parents peuvent demander les bulletins et relevés selon les procédures de l'école.

Parents can request reports and transcripts according to school procedures.

STEAM et projets

STEAM and projects

FRANCAIS

Le modele STEAM d ICC est base sur des resultats visibles: design, modele, presentation, recherche, produit numerique, dossier d'experience ou prototype.

ENGLISH

ICC STEAM is product-based. Learners work toward visible outcomes: a design, model, presentation, research solution, digital product, experiment record or prototype.

Participation active

- Les apprenants en ligne ne regardent pas seulement les projets.
- Ils recherchent, presentent, expliquent et ameliorent leurs travaux.

Active participation

- Online learners do not simply observe projects.
- They research, present, explain and improve their work.

Securite pratique

- Les projets pratiques suivent les instructions de l'enseignant.
- Les parents supervisent les activites a domicile lorsque necessaire.

Practical safety

- Practical projects follow teacher instructions.
- Parents supervise home activities when needed.

Les projets developpent la communication, la pensee critique et la confiance.

Projects build communication, critical thinking and confidence.
